Mr. Manley;

Dear Mr. Manley;

I can book you a night game in Stamford on a Thursday Night under lights for a Guarantee of \$100. with an option of forty per cent gross. Stamford has a new ball park seating over five thousand people and I think your club ~~would~~ pack them in which would mean a nice take for you.

I have been booking for over 20 years and for references you can call Bob Douglas of the Renaissance whom I have booked many games.

Stamford Pioneers beat ~~xx~~ Cedarhurst last Sunday 5 to 1 and have a strong ball club. Stamford would be willing to play you a Sunday game in Newark at a reasonable gaurentee.

Refering to the night game in Stamford, we have thousands of colored people and see no reason why you wont get \$300 to \$500 for your end.

My fee is ten per cent of the money you receive.

Hoping we can get together, I remain.

Yours for clean sports
